

Nga T. Do

Emails: donga38@gmail.com, dtnga@ewhain.net

Research interests:

Spintronics, graphene, 2D-materials, quantum devices

Education

2018-present: Ph.D. Student, Ewha Womans University, Seoul, Korea
Specialization: Physics, Condensed Matter Experiment
Supervisor: Prof. Taehee Kim

2015-2018: M.Sc. in Applied Physics, VNU HCM University of Science, Vietnam
Supervisor: Assoc. Prof. Cao Vinh Tran

2009-2013: B.Sc. in Applied Physics, VNU HCM University of Science, Vietnam
Supervisor: M.Sc. Anh Tuan Dao

Awards

Outstanding Oral presentation at Korean Physics Society Meeting (5 times from 2019-last meeting)

Publications

One paper submitted in *Nature Com.* It is under review now.
